Excellency,

It is a great pleasure to extend my sincere congratulations on your re-election as Speaker of the National Assembly of Kuwait and to wish your ever-increasing success in your parliamentary mandate.

As an active member of the APA, National Assembly of Kuwait has been steadily in close contact with the APA Secretariat. APA delegations in the Parliament of Kuwait has always had a lively presence at different APA Meetings and shared their views and visions with other participants. APA Secretariat expects this practical procedure can be upheld in the new term of the legislature.

I hope we will soon witness the results of the collective measures underway for full-fledged containment of the global pandemic in the coming future and necessary condition is provided for holding our face-face meetings.

Please accept, Excellency, the assurance of my highest consideration.

Best Regards

**Mohammad Reza Majidi
