Dear Madam President,
Dear Mr. President,

I would like to inform you that, as per the past usual practices, APA Secretariat has organized a Coordinating Meeting alongside the upcoming 146 IPU Assembly in Manama, the Kingdom of Bahrain.

Our experience during the past 16 years since the establishment of the APA reveals that the initiative to hold this side event has so far received welcome support of the representatives of the APA member countries attending the IPU Statutory Assemblies in different countries.

Therefore, it is a great pleasure for me to meet you at this important side event in Manama. If it would not be possible for you to join us, kindly assign at least one delegate to represent you at this meeting.

The Registration Form together with the agenda of the meeting are hereto attached. It is highly appreciated if you would fill in the Registration Form and return it not later than 05 March.

Meanwhile, as English is the only official language of the meeting, therefore, it is the responsibility of the delegations to have their own interpreters in other languages. It is also worth noting that the meeting room is equipped with remote simultaneous interpretation system using **Interprefy Platform**. The connection link will be provided by the IPU Secretariat.

Please accept, Excellency, the assurances of my highest consideration.

Best Regards,
Mohammad Reza Majidi
